

Instructions:

Prior to making an application a proponent is required to pre-consult with the County Planning and Development Department to determine the appropriateness of the request and review submission requirements. Each application must be accompanied by the application fee in the form of either cash or a cheque payable to the County of Perth. **A drawing of the proposal, consistent with Section 11.0 of this form, must also be submitted with the application.**

If the applicant is not the owner of the subject land, a written statement by the owner which authorizes the applicant/agent to act on behalf of the owner as it relates to the subject application must accompany the application (See Section 13.0).

In accordance with Section 53 (3) of the Planning Act RSO 1990, additional information and studies may be required by the County to evaluate the proposed consent. The requirements for additional information are identified in the Official Plan. The type and scope of studies that are required will be determined through the required pre-consultation process with the County Planning and Development Department. If the required additional information is not provided the application cannot be deemed to be complete and will not be processed.

In accordance with the Clean Water Act, 2006, a number of Source Protection Plans have been developed that apply within the various watersheds within Perth County. The policies of these Source Protection Plans may affect this Planning Act application. More information about the applicable Source Protection Plans is available at:

1. Maitland Valley Source Protection Plan sourcewaterinfo.on.ca
2. Ausable Bayfield Source Protection Plan sourcewaterinfo.on.ca
3. Thames-Sydenham and Region Source Protection Plan sourceprotection.on.ca
4. Grand River Source Protection Area sourcewater.ca

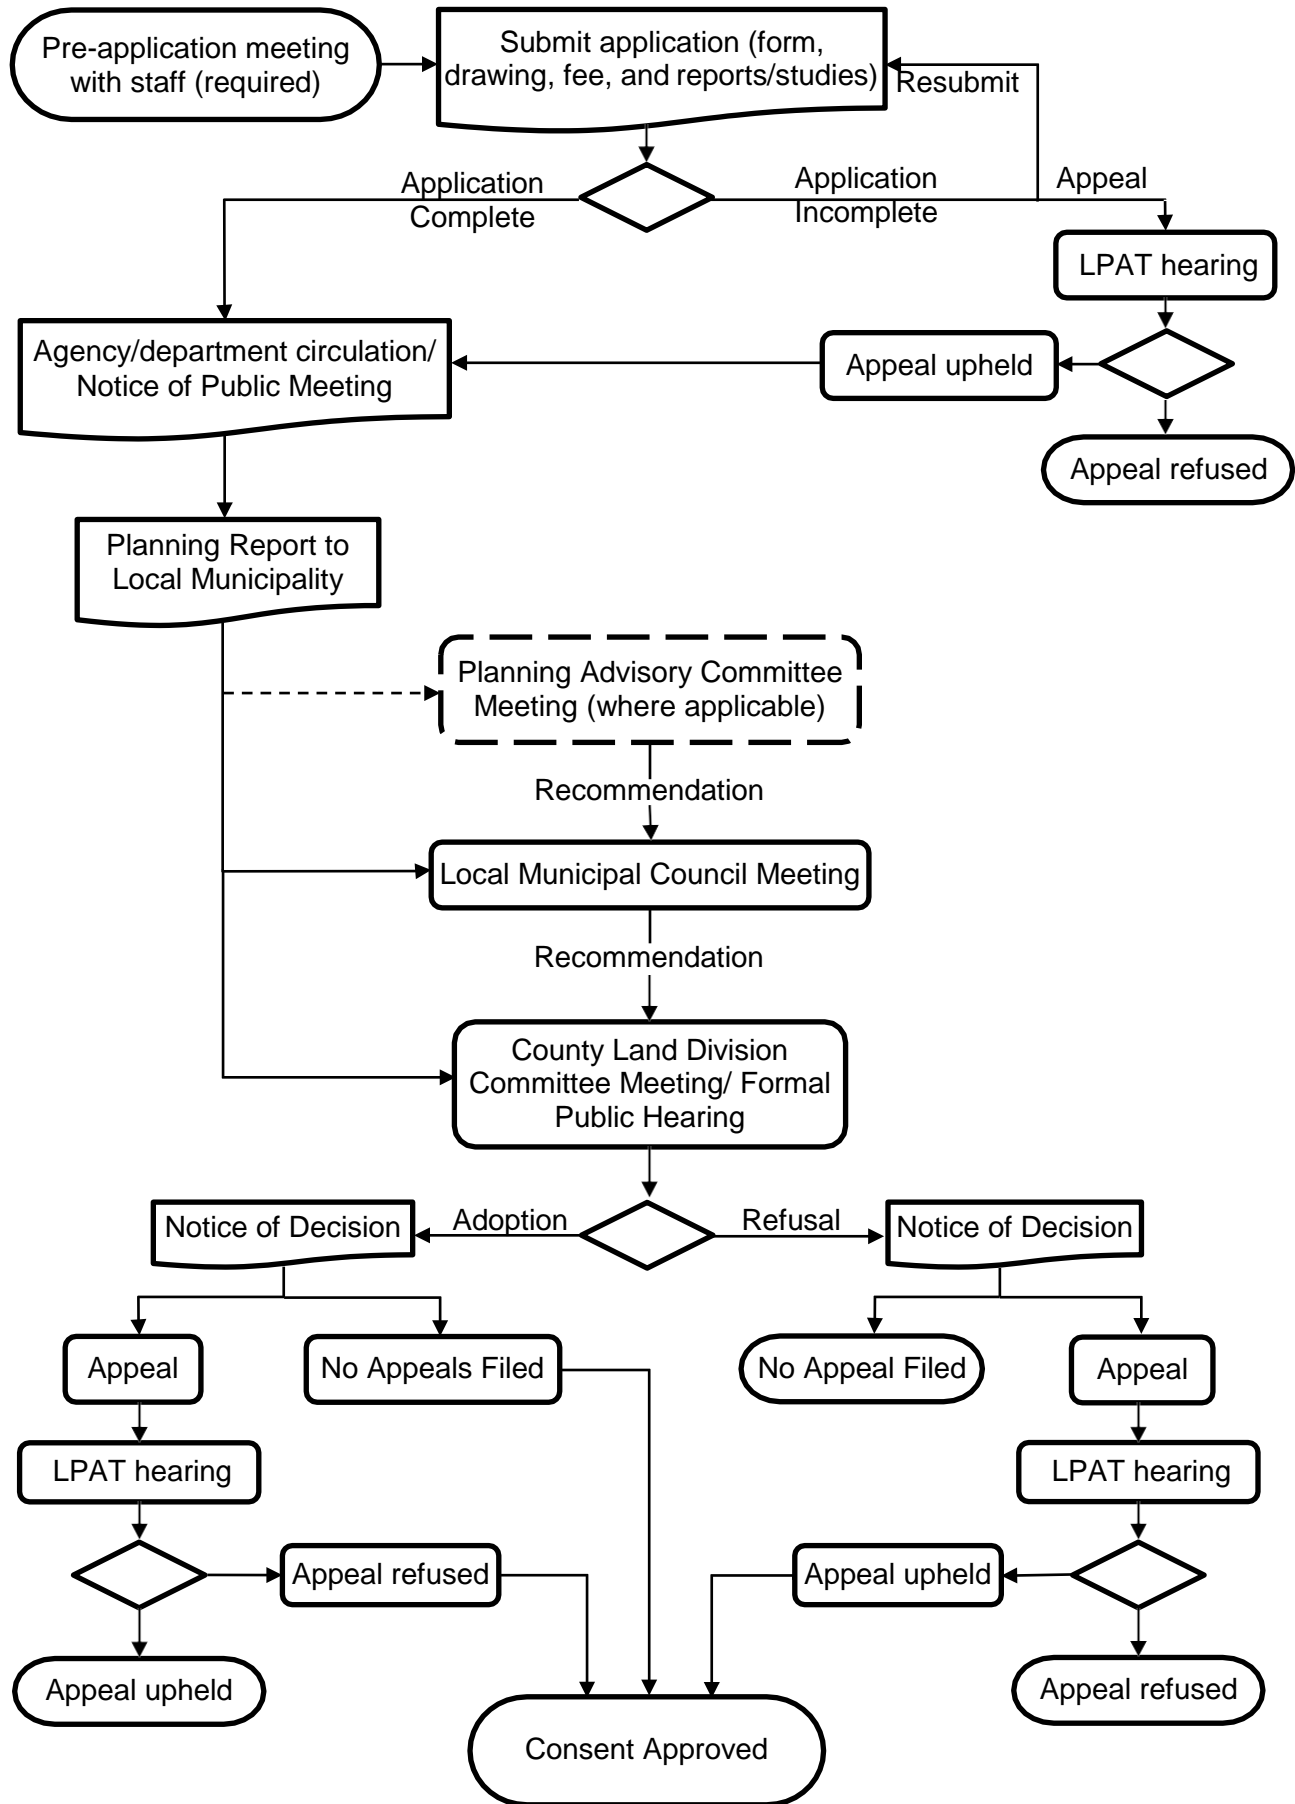

Application Checklist:

- One Copy of Completed Application Form
- Application drawing (See Section 11.0)
- Application fee, payable to the County of Perth
- One copy of the Parcel Register ('PIN Printout'), which is available through the Land Registry Office, for the subject property, and if a lot addition is proposed, a copy of Parcel Register for the property to which the severed parcel will be added.

For Help:

For help completing the application form, please contact the County of Perth Planning and Development Department at (519) 271-0531 (ext. 411) and ask for the Planner that handles your municipality, or the Secretary Treasurer of the Land Division Committee. Mapping information for your property is available at maps.perthcounty.ca/Public The County Official Plan can be found at www.perthcounty.ca Local Official Plans (Listowel, Milverton, Mitchell) are posted on local municipal websites.

11.0 Application Drawing

An accurate, scaled drawing of the proposal must accompany this application. For residential/urban parcels and small or irregular shaped lots in rural areas, a Surveyor's sketch showing existing buildings is required. The drawing must show the following:

- a) the boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land;
- b) the distance from the subject land to the nearest township lot line or landmark;
- c) the boundaries and dimensions of the subject land (including total area), the part that is to be severed and the part that is to be retained;
- d) the location of all land previously severed from the parcel originally acquired by the current owner of the subject land;
- e) the approximate location of all natural and artificial features on the subject land and on the land that is adjacent to the subject land such as buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks;
- f) the existing uses on adjacent land;
- g) the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public traveled road, a private road or a right-of-way;
- h) proposed building envelope on new lot;
- i) the location and nature of any existing easement affecting the subject land;
- j) the distance from any buildings to lot lines.
