## Here to Stay

Ally was born and raised in Listowel - and she's always known that she wants to stay. "Growing up in Listowel has been a blessing," she says. "It's always felt like home, and I know it'll be a great place to raise a family someday."

After moving away for school, the pull back to Perth County was strong. In 2024, she and her boyfriend bought a house in Listowel - right where she knew she wanted to be.

Now working as the Marketing & Communications Generalist at Ward & Uptigrove, Ally feels lucky to live and work in a place that checks all the boxes: safe, affordable, and full of things to do. "I love that I can spend the day shopping locally or take a drive to take my dogs to the beach - it's so easy to enjoy the best of both worlds here," she says. "We're right in the middle of the beaches and the cities, but still get to have that small-town feel."

With strong roots, a growing career, and a life she's proud to build right here, Ally is embracing everything she loves about calling Perth County home.
