

## Edward Family

### Index

#### Section 1: Edward Family Tree

- Names and identification number of each descendant of William Edward [64] and Jane (Jean) *Ferguson* Edward [65]. Each new generation is indented. It should be noted that the tree is not complete. It contains only those members for which there is a photo or other documentation.

#### Note on Organization of the Family Tree:

1. Each person has been designated a number which correlates to their position on the family tree. The first two identified members of the family are each given a number. Each consecutive child is then given a letter to the end of that number. For example, the first child is 1-2a, the second child is 1-2b, and so on. The numbering system continues with each new generation being given an additional letter signifying their position within the tree.
2. Each spouse of a direct descendant is designated with Sp. for Spouse. For example, if they are married to the third child in the family tree, they would be numbered as, "1-2c.Sp." If they have more than more spouse, it will be denoted by a number after the Sp. "1-2c.Sp.2."

If an individual in this family tree is connected to another family associated with the project, that person's identification number will change in their second tree.

#### Section 2: Family photographs and archival documents

- Includes photographs and source documents related to each family member.

Do you recognize  
 the little girl that  
 used to run past  
 your place to  
 school?

This is part of  
 my little flock. The  
 baby is the little one  
 from where I board.  
 I am leaving there  
 now and going to  
 Regina to Normal this  
 fall.

Mother & father  
 are well. James is  
 busy writing on his  
 exams. Yours as ever  
 Mary.
