

Getting where you need to go in a Roundabout kind of way!

How to use a roundabout

At all entrances

Left turn

Thru traffic

Right turn

SLOW DOWN • YIELD • KEEP MOVING • SIGNAL OUT

Drivers

- Slow down!
- Watch for pedestrians at crosswalks
- Yield to traffic already in the roundabout, they have the right of way
- Once in the roundabout, keep moving
- When leaving, signal your intentions with your right hand turn indicator

Cyclists

- Merge with traffic before you enter the roundabout
- Watch your speed and be aware of pedestrians
- Signal your intentions to leave the roundabout

Pedestrians

- Use marked crosswalks
- Wait until it is safe to cross
