

Final Project Form

Congratulations on reaching the final stages of your tree planting project! We hope that your project is everything you hoped it would be, and more. We are **so proud** of the hard work and dedication you have put into improving the ecological resiliency of Perth County.

As **the final step**, completing and submitting this form will enable us to review the successes of your project in order to determine eligible expenses for reimbursement, and detail the quantifiable impacts of your project.

Questions on what expenses are eligible? Please review the [Stewardship Program Grant Guide](#) on our website for detailed information per grant stream.

Program Follow-up

Perth County Stewardship Program was launched for Spring 2024 as a brand-new program. Feedback you provide about the process of the application to completing this final report would be helpful as we adaptively manage the program going forward. The feedback you provide (good or bad) will not impact your reimbursement. Thank you for providing honest, and respectful feedback.

Was the application process easy and simple?

Do you feel like the evaluation/award process was well communicated?

Tell us: Do you feel this Stewardship Program was worthwhile? why/ why not

Feedback: Do you see any areas for improvement with the Stewardship Program?

Thank You

By submitting this final project report, you have fulfilled the final requirement of the Perth County Stewardship Program.

The due date for final reports is June 30, 2024. We will review submissions as they come in, depending when projects are completed. Please allow up to 4 weeks for us to process the reimbursement.

The Perth County Resiliency and Stewardship Program Coordinator will be in touch with you to confirm receipt of your submission. If there are any questions or requests for further information, we will be in touch with you as soon as possible.

Thank you again for your commitment to stewardship, resiliency, and agricultural land health. We can't wait to see what you do next!
