PREFACE

In presenting the Fifty-Third Edition of the STRATFORD CITY DIRECTORY, the publishers thank their many patrons for their cordial support.

This year once again the names are listed in order of telephone numbers. This numerical Telephone Directory is printed on blue paper and we feel that it will greatly increase the usefulness of the directory to our subscribers. Telephone numbers are also listed by house address in the Street Directory.

Our estimate of the population of Stratford and outskirts is 30,845.

VERNON'S 1977

STRATFORD

Alphabetical Directory

EXPLANATION

1. The Christian name appearing alone in brackets is the name of spouse.
2. In some cases the designation, widow, has been omitted by request.
3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in capital letters are those of proprietors, partners or executives of these firms.
4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B. Scott, Wm. Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).
6. The information in this directory has been gathered from original sources and the Publishers have made every effort to ensure completeness and accuracy. They cannot guarantee the complete absence of errors and assume no responsibility therefor. You are requested to draw any inaccuracies to the attention of the Publishers so that corrections may be made in the next edition.

OUT OF SIGHT . OUT OF MIND . . OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistantly advertised.

● ● ●

The City Directory is the natural medium for keeping a business or product name in the spotlight. INSIST on being well represented in its pages.

WORK STATISTICS

THERE WERE 3,400,000 WOMEN WORKING IN CANADA AT THE END OF 1974. THIS IS 34.4% OF THE LABOUR FORCE.

Of these, 58% were married, 32.5% were single, and over 9% were widowed, divorced or separated.

Working women have less time to watch television or read magazines and newspapers. They must spend more money on clothing. Many drive their own car.

In addition, households in which women work have 25.5% higher gross incomes with more money to spend on labour-saving devices and vacations.

STRATFORD

Alphabetical Directory

EXPLANATION

1. The Christian name appearing alone in brackets is the name of spouse.
2. In some cases the designation, widow, has been omitted by request.
3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in capital letters are those of proprietors, partners or executives of these firms.
4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B. Scott, Wm. Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).
6. The information in this directory has been gathered from original sources and the Publishers have made every effort to ensure completeness and accuracy. They cannot guarantee the complete absence of errors and assume no responsibility therefor. You are requested to draw any inaccuracies to the attention of the Publishers so that corrections may be made in the next edition.

OUT OF SIGHT . OUT OF MIND . . OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistantly advertised.

● ● ●

The City Directory is the natural medium for keeping a business or product name in the spotlight. INSIST on being well represented in its pages.

WORK STATISTICS

THERE WERE 3,400,000 WOMEN WORKING IN CANADA AT THE END OF 1974. THIS IS 34.4% OF THE LABOUR FORCE.

Of these, 58% were married, 32.5% were single, and over 9% were widowed, divorced or separated.

Working women have less time to watch television or read magazines and newspapers. They must spend more money on clothing. Many drive their own car.

In addition, households in which women work have 25.5% higher gross incomes with more money to spend on labour-saving devices and vacations.

THOUSANDS OF WOMEN USE CITY DIRECTORIES EVERY DAY. ARE YOU GETTING YOUR MESSAGE TO THEM? WHY NOT SET YOUR AD IN A WORKING SITUATION?
