TIP: It's often a good idea to check online or call ahead to ensure the business you wish to visit is open.

Here's an idea of what you can expect at different types of farm gates — many of which can be identified with Discover More Flavour signage.

FARM GATE STAND

Informal farm gate stands operating on a self-serve, honour system. Pull up to the stand, pick up your items, and deposit cash in the container provided. You may or may not see someone operating the stand. Many businesses are closed on Sundays.

FARM STORE

A more formal store located on a farm with posted operating hours. Note that hours may change seasonally.

LOCAL FOOD SHOP

Not located on a farm, but a location that sources and sells primarily local food sourced from Perth County farms.

HOME-BASED SALES

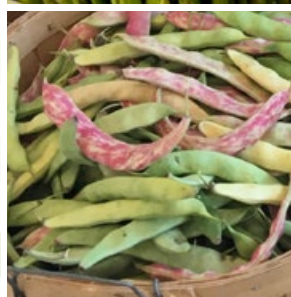

Sales take place from a personal home on a farm. You may see a sign, but no stand directly at the farm gate.

GO DIGITAL Make the most of your visit with the interactive Flavour Map — easily plan your route, map out your stops, and get driving directions sent right to your phone!
