Inside Look: Anna Mae's Bakery & Restaurant

We had a great time going behind the scenes at Anna Mae's — a true Perth County staple rooted in Mennonite culture and community. From their warm hospitality to the incredible baked goods (including the iconic Apple Fritter), it's clear why this spot is loved by locals and visitors alike.

Fun fact: on Thanksgiving Saturday each year, the team prepares and bakes 1,500 pies — all by hand.

Inside Look: Listowel Country Inn

We had the opportunity to see firsthand how this longstanding Perth County establishment runs smoothly every day.

From managing guest experiences to hosting community events, it was fascinating to witness the dedication and care that keeps the inn welcoming and comfortable.

Fun fact: the historic building has been part of the community for over a century, adding a special touch to everything they do.
