PREFACE

In presenting the Twenty-Sixth Edition of the STRATFORD DIRECTORY, we trust it will be met with the same cordial approval as our former editions. Every means has been taken to render the work up-to-date and as accurate as possible.

The number of names in the Alphabetical Section is 7870, which multiplied by 2½, the usual multiple used by directory publishers, gives a population of 19,675.

Thanking our patrons for their support,
