

Smart Family

Index

Section 1: Smart Family Tree

- Names and identification number of each descendant of Alexander Smart [70] and Jean McDougall [71] to the 5th generation. Each new generation is indented. It should be noted that the tree is not complete. It contains only those members for which there is a photo or other documentation. Alexander Smart emigrated from Scotland to Upper Canada in the early half of the 19th century

Note on Organization of the Family Tree:

1. Each person has been designated a number which correlates to their position on the family tree. The first two identified members of the family are each given a number. Each consecutive child is then given a letter to the end of that number. For example, the first child is 1-2a, the second child is 1-2b, and so on. The numbering system continues with each new generation being given an additional letter signifying their position within the tree.
2. Each spouse of a direct descendant is designated with Sp. for Spouse. For example, if they are married to the third child in the family tree, they would be numbered as, "1-2c.Sp." If they have more than more spouse, it will be denoted by a number after the Sp. "1-2c.Sp.2."

If an individual in this family tree is connected to another family associated with the project, that person's identification number will change in their second tree.

Section 2: Family photographs and archival documents

- Includes photographs and source documents related to each family member.
- Note: Elizabeth Smart 70-71c is listed both in the Smart and Irvine family trees. She is listed as Elizabeth Smart Irvine 50-51c.Sp. in the Irvine file. There are many additional pictures of her and of her descendants in the Irvine file.

My Dear Mother
 I received your kind letter
 of the 10th inst. and was
 glad to hear from you
 and to hear that you
 were all well. I am
 well at present and
 hope these few lines
 will find you all the
 same. I have not much
 news to write at present
 but I will write again
 soon. I am your affectionate
 daughter

Ph1293 Betty Smart Ballantyne 70-71a. Elizabeth Smart Irvine 70-71c. Letter page 1

Handwritten text in cursive script, appearing to be a letter or document. The text is written on two pages, with the top page showing the beginning of the letter and the bottom page showing the continuation. The handwriting is dense and somewhat difficult to decipher due to the cursive style and some fading. The text appears to be a personal communication, possibly a letter from Betty Smart Ballantyne to Elizabeth Smart Irvine. The top page begins with "I have been thinking much of late" and the bottom page continues with "and I have been thinking much of late".

Friendly terms, but some
 things have happened, as
 and we parted, that is
 about six or seven and
 twenty years ago, and I never
 saw him since. I have
 told I got a letter from him
 about 2 months ago, he is
 in Otago and has been there
 a long time before, I came
 to this country, he is in
 very comfortable circum-
 -stances, and has a family
 his wife died about 4 years
 ago, he will be sorry to
 hear of Spady Adams
 death, he intends to pay
 us a visit as soon as he
 can get away, but he
 is in a government vessel
 and only gets a way at
 certain times, is it not

My Dear Elizabeth
 Your letters
 and mine seem to me
 like Angels visits, a long
 time between them,
 and too they are so well-
 come, I just took your
 letter the other day and
 read it all over again
 a fresh, and I felt quite
 angry with my self for
 my delay, I was to answer
 it directly I got it, I
 felt so delighted when
 I got it, then I thought
 I would wait and send
 you one of my photos

so hard the result.
 I was sorry indeed to
 hear of the great changes
 death has made among
 you. Am sure Amelia
 would feel the loss of
 daughter very much.
 I suppose Abner and
 Willie will look a pretty
 aged pair now. her
 face would look so nice
 as fresh as it did when
 she wore the pretty pink
 bonnet. you was so
 ill pleased with her about
 all these old things come
 in my mind so often,
 and how your mother
 heard Willie dog
 scratching, as she said
 when he saw us home.

from the singing class
 Elizabeth I don't think
 that is any of my old
 recollections give me
 more pleasure, than
 the times you and I
 spent together, we
 climbed those thick
 fir trees, I scrambled over
 the tops of gaps and
 fences, and I believe we
 paddled all over the most
 of the parks about
 Baldoice. No Elizabeth
 having mentioned Baldoice
 I shall tell you a real
 romantic little story
 do you remember
 David Hay, that used
 to live there, he was at
 dear Betsy's marriage
 and he and I got on
