GOURMANDISE BAKERY

A Taste of Paris

When Aurelie and Silvio met in Canada, their love story blossomed around a shared passion for exquisite pastries. Aurelie, a Parisian pastry chef with three prestigious culinary degrees, brought her expertise from the heart of France. Silvio, originally from Chile, complemented her perfectly with his enthusiasm and support. Together, they dreamed of creating something special, and in 2023, just before Thanksgiving, that dream came to life as Gourmandise French Bakery in Milverton, Ontario.

Gourmandise opened its doors just before Thanksgiving in 2023, and what started as a plan to bake a few days a week quickly turned into a full-fledged operation. The community's curiosity about a French bakery in the heart of Ontario drew people in from Stratford, Listowel, and beyond. Almost overnight, word spread about Aurelie's croissants, and the lineups outside the bakery became a regular sight.

Gourmandise's success lies not just in the quality of its pastries but in the heartfelt story behind them. Aurelie and Silvio's dedication is evident in every layer of their buttery croissants and every bite of their delicate éclairs. They take pride in using the finest ingredients, including high-fat, protein-rich water buffalo milk from the local Koskamp family farm.

Aurelie and Silvio's journey to opening Gourmandise French Bakery is more than a tale of entrepreneurship; it's a story of their dedication to their craft. In this welcoming County, people from all corners of the earth can bring their passion and craft, finding not just support but celebration. It's a place where diverse talents enrich the community, creating a vibrant and inclusive tapestry.
